Hi Kevin,

Attached are the maps you've requested. At least hopefully they are attached as a couple of them are large. There should be 5 maps attached. SanMateoBasin_MinePRPs_Briefing.pdf and SanMateoBasin_MinePRPs_Briefing_Own2.pdf are the two you requested by the tracking number. Request 2016 had three maps: Mines_Labeled_LagunaMarquez.pdf, Mines_Labeled_Ambrosia.pdf and Mines_Labeled_Ambrosia_Overlap_R9.pdf.

Let me know if any are missing and we'll resend.

Jeff
